MANAGEMENT RESUME

John H Harris

Company Role: Executive Vice President of Field Operations

Joined Bon Builders in 1979. Co-owner since 2002.

Expertise: John's hands-on experience is instrumental to the success of Bon Builders and the projects we create. He has been involved in over 3 million square feet of construction and knows what makes a solid and functional structure for our clients. Working in concert with the design team, John has been able to help create buildings that fulfill the desires of the client, always keeping in mind the practical application of time-tested strategies along with new innovations and techniques.

We work as a team at Bon Builders and address each new project in a deliberate way to get in, get it done and get out so that the new owner can start using his or her investment.

My Commitment to Our Clients: Our reputation lies in the buildings we create. I have a great sense of accomplishment when I look at the number of repeat clients we continue to serve every year. It tells me that they know we care about building the best for them and that they can count on the quality of the product they will receive. It is gratifying to be given the opportunity to serve our community by doing what we do best, producing high quality and award-winning buildings.

Greatest Professional Accomplishment: Knowing that if you work hard and make a commitment to your goals and ambitions you can be a success, I know that my commitment to this credo has given me the opportunity to become co-owner of Bon. I treat each project as if it were my own. The greatest accomplishment is a happy client, pleased with their investment.

School(s) Attended/Education: Graduate of Vandalia Butler High School, Sinclair Community College for Business for Business Administrative Classes, Center for Entrepreneurial Education, Business Management Strategy

Favorite sports/hobbies: I enjoy watching just about every sport and playing golf. My wife Lyn and I enjoy the outdoors, hiking, boating, and camping.
