UNIQUE CHALLENGES

Client's goal for the newly constructed retail space was to expand customer traffic flow to increase merchandising opportunities and improve working efficiencies for employees. Bon Builders' design increased customer walking traffic by 78% and reduced the number of steps required of employees to perform their jobs.

CLIENT SATISFACTION

"An in-house Architect studied our operation and made it a point to understand how we work. The design met our needs and they did it all on schedule. The best part – Bon Builders is honest to work with."
