## MANAGEMENT RESUME

### David M. Frye

**Company Role: Director of Business Development**

28 years experience, started at Bon Builders in 2013

**Expertise:** Dave has worked in every part of the design/build construction business including lead generation, development of relationships with owners, sub-contractors, government officials, architects and engineers, coordinated design meetings, procured governmental approval process and permit requirements, overseen building projects in capacity of project manager, field supervisor and hands on construction of many projects.

**My Commitment to Our Clients:** To take the time to understand your space requirements and building budget, and guide you into a program that that meets your building needs within your budget.

**Greatest Professional Accomplishment:** Successfully taking clients from the “dream/design” phase to the “final/actual” building facility and hearing the client say that the building space is still working as intended years after they have occupied the space.

**School(s) Attended/Education:** Graduate of Boardman High School; Graduate of Mount Vernon Nazarene University in Business Management. Have taken CCIM (Certified Commercial Investment Member) classes for knowledge in helping with owner/development opportunities.

**Favorite sports/hobbies:** Enjoy spending time with my wife and kids; playing golf, bicycling, hiking and playing guitar/bass.
